

## Report for Department: Accounts

File: sampleA.pdf

Paragraph P1:

To resolve the issue of the tables not being extracted or displayed correctly, there are a few improvements and corrections that can be made to both the backend and frontend code. Let's break down the changes.

Remarks: ad

Paragraph P2:

anis 122 34 34 33 33 33 333 33

Remarks: as

Paragraph P3:

Ensure Proper Storage of Tables: The backend is currently storing tables as individual elements, but you may be facing issues with empty table data or incorrect structure. We'll make sure each table is represented properly in the MongoDB and structured as a distinct item this is anish.

Remarks: as

Paragraph P4:

To resolve the issue of the tables not being extracted or displayed correctly, there are a few improvements and corrections that can be made to both the backend and frontend code. Let's break down the changes ok.
